

## Pupils walking to and from school without adults

Pupil's name: \_\_\_\_\_ Year group: \_\_\_\_\_

I would like my child to walk *to and from school / to school only / from school only* without an adult.

(Please delete *which sections* do not apply.)

I have discussed safe walking with my child including which route to take, crossing roads and what to do if an adult approaches him/her.

We have discussed the importance of walking straight to school and remaining in the school grounds before the start of the day.

We have agreed that he/she must leave school promptly at the end of the school day and discussed who is meeting him/her at home and what to do if there is no answer when he/she arrives.

I understand that this request applies only to the normal start/end of the school day and that I must make a separate request for each out of hours club.
