

Whole school – class timetable for remote learning Spring 2021

Below are the details of the remote curriculum which all children are expected to undertake during the current period of school closure. Live sessions will be delivered through Google Meet or Zoom. Google Meet/Zoom meeting details will be placed on Google Classroom or emailed out. Daily pre-recorded/narrated sessions in maths, spelling, writing key skills and reading will be released during the day in addition to follow up learning and other curriculum learning/project based topics. The learning will be staggered throughout the day and it is essential children have regular breaks throughout the day and time away from a screen.

Science and other curriculum learning will be shared via Google Classroom.

The sessions the teachers create are different to those the children will usually experience in school. Learning is a collaborative process which requires teachers to provide immediate personalised feedback and a constant change of pace and direction. This will not be the same remotely. The learning will be more instructional.

Each class in KS1 and KS2 will join a whole school assembly every day at 1pm and have a class review session with Ms Trickett on Friday afternoons. The same recurring zoom link applies to the assembly each day and weekly review meetings.

KS1 & 2 daily assembly

We recognise that many parents will need to balance their own work demands, sharing of devices, siblings/different learning and much more. The timetable below has been developed following feedback from parents/carers, pupil voice and the school team after the previous school closures. Please do not put pressure on yourself and support your child to do what you can.

Class teachers will take the register at the start of each live session and all pupils must be dressed for sessions (no pyjamas) and in an open room (not bedrooms) with an adult nearby. Any pupil who is not dressed or in an inappropriate space will be ejected from live sessions. Any disruption to live sessions or inappropriate use of Google Classroom chat bars will lead to a pupil being ejected from the learning space. Parents will be informed of this.

Google Classroom

Log in details for children in Key Stage 1 and 2 are as follows:

Children now have automated usernames. Username: first name + initial of surname, e.g Nigel Pearson would be: - nigelp@maplecross.herts.sch.uk

Passwords: In Years 1 to 3, the password is simply their year group e.g a year 1 child will be year1.

If in years 4-6, the password is their Initials and short date of birth. For example, Harry Kane would be hk280793

If you have any problems, please get in touch with the office via email: admin@maplecross.herts.sch.uk

Please use the timetables below to help, support and guide home schooling. We know for some families it will look different on different days. Do what you can and do not put pressure on yourself. If you are finding aspects of the timetable and learning difficult please get in contact with school.

Thank you for your continued support. We will continually review the timetable and adjust as needed.

Hannah Trickett

Head Teacher

Early Years Foundation Stage – Nursery and Reception

Wednesday 6 th Jan – Friday 15 th January												
	08.50 – 9.00	9.00 – 9.30	9.30 – 10.00	10.00 – 10.30	10.30 – 11.00	11.00 – 11.30	11.30 – 12.00		1.00 – 1.30	1.30 – 2.00	2.00 – 2.30	2.30 – 3.00
