

Year 6 – class timetable for remote learning 25th January, Spring 2021

The children (and parents!) have now completed three weeks of remote learning. Well done everyone. Keep up the hard work. We want to make a few tweaks to the timetable for the next three weeks to respond to the needs of the children. Please remember to make the timetable work for you. If you need to, slow down the pace and do what you can. Looking after well-being is the most important thing.

KS1 and KS2 will continue to join a whole school assembly every day at 1pm on Zoom. The link is the same link every day.

These will continue every Friday on Google Meet within the children's Google Classroom. Don't forget to bring your hot chocolate!

2.00pm – Yr3,	2.30pm – Yr4
3.00pm – Yr5,	3.30pm – Yr6

Many families have now got in a good rhythm with their home/remote learning. If you miss something, don't forget you can come back to it later. The videos and learning will not disappear so you can be flexible with the timetable and personalise to suit you and your family. If you don't get everything completed, don't worry. Class teachers continue to be outstanding in providing such a variety of learning.

Thank you for your continued support. We will continually review the timetable and adjust as needed.
